# ALUMNI CLUB

GLENN ENGLISH  
CHIEF EXECUTIVE  
OFFICER, NRECA

It's no secret that those of us working in the electric cooperative industry take a great deal of pride in the quality of our work. We strive each and every day to uphold the cooperative principals and improve the quality of service that we provide to our consumer-owners.

So it should come as no surprise that as some of us approach retirement or the prospect of a career outside of electric cooperatives, we would look at ways to maintain the relationships that we have built with both the people and issues associated with our industry. That is why I am proud to announce that we have formed the Electric Cooperative Alumni Club.

*“Do you want to maintain relationships, foster and sustain political activism ~ then join the Electric Cooperative Alumni Club!”*
